

Germany Accommodation Grafenwiesen/Bavaria

This is a very nice wellness retreat we found in Bavaria/Germany.

Hotel Birkenhof am Elfenhain ★★★★★ (out of 5 stars)
 From the hotel's own website: Our wellness hotel offers an imaginative and relaxed environment, amidst an idyllic landscape at Grafenwiesen in the Bavarian Forest. With its highly sophisticated health and beauty facilities, our hotel offers you tranquility and relaxation for body, mind and soul. No matter if you want a cozy short stay, relaxing spa days, beauty holidays, culture trip - the Birkenhof is a good choice at any season. In our kitchen we combine regional ingredients, herbs out of our own herb garden and carefully selected products.

Our verdict: We are delighted that we found this beautiful oasis in the middle of the Bavarian forest. The attention to every detail in our rooms (junior suite and "turm suite" in the Neptune wing), the fantastic healthy food, the personal commitment of the owners and all the staff were second to none. We loved the massages in the beautiful spa area which was located in the pagoda, the morning walks and all the scheduled activities. If you are looking for a relaxing time in a wonderful clean environment - this is the place to be.
