

Sultanate of OMAN Sightseeing

If you would like to enjoy Oman at his best we can recommend the 6-day -tour we did with the local tour operating company Golden Tours and our brilliant tour guide Abdulla. This private guided tour will include all the different landscapes Oman has to offer. The fascinating desert, wadis, endless beaches, high mountains, deep canyons, lots of history, interesting buildings and the warmth and hospitality of the Omani people will make this journey unforgettable. For us it worked well that we had some days in a nice beach resort to acclimatize before starting our tour and two more nights in Muscat at the end of our journey to explore the beauty of the capital city. Please contact us for more information. **Highlights of your tour:** Muscat the Capital City of Oman, the spectacular **Hajar Mountains**, Nizwa-with its beautiful Fort, the charming town of **Bahla**, the Fort in **Jabrin**, the narrow canyon of **Wadi Nakhr**, Oman's highest peak **Jebel Shams**, the stunning landscape of **Misfat al Abreen**, the old villages of **Birkat al Mauz** and **Wadi Bani Habib**, **Wadi Bani Khalid** one of the most picturesque wadis, the endless dunes of the **Wahiba Desert**, the ancient port of **Sur** and lots of other unforgettable places known by your personal guide.
